

Bee Man Seeks Hatchetman

If you see Raymond J. Duerloo of 2424 Park avenue approaching you with a hatchet these days, it wouldn't be a good idea to claim the hatchet was yours.

Because Duerloo is looking for the person who owns the hatchet. He told police it was left behind by whoever destroyed a number of bee hives at his home last weekend.

FIRST SUGAR FIELDS

First commercial sugar cane production in the New World was in San Domingo where Negro slaves were imported to cultivate the fields.

P.T.A. Signs Cheques

A cheque is a slip of paper until it is signed. The consequence of what we are doing, now, today, is a cheque that TIME, alone, can sign.

Time has made valid many cheques for P.T.A. Mothers may be dilatory about their personal fortunes but their children are of paramount importance. They must have a signed cheque for their future and they get it. Time signs it.

Time, after sixteen years in school, returns the cash that we deposit today. The P.T.A. is the auditor, it is responsible for tomorrow. It is through its efforts their children are taught more, more quickly. This Organization has stopped abuse and inaugurated use that TIME, alone, can sanction, will sign, and hold as a model for the future.

Torrance Man Escapes Death On Ocean Cliff

Palmer O. Nelson, 2218 Cabrillo, avenue, can count his days from how on as something extra added to his normal expectations of life.

About 3 a.m. Monday Nelson was driving on an unfamiliar road near Bluff Cove, Palos Verdes. As his car started down the hilly road called Paseo Del Mar, it got out of control. For 100 feet it lurched along the rim of the cliff there and finally stopped with the front end dangling over the 200-foot precipice.

Nelson walked away from it with only a sprained wrist.

'Substance' Science Topic

The Sunday Lesson-Sermon topic in all branches of the Mother Church, The First Church of Christ, Scientist, in Boston, is "Substance." The Golden Text is from Ecclesiastes: "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, no any thing taken from it."

In John's Gospel, it is recorded that Jesus said: "Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father, and whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. . . . If ye love me, keep my commandments."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit, as Jesus destroyed them."

L. W. Brownlee, 1628 Greenwood avenue, was looking for an exceedingly honest man this week.

He informed police he would appreciate the favor if they would let him know if anyone turned in the Torrance National Bank checkbook he had lost in the business district Friday. Oh, yes. There was also \$70 in cash in the checkbook.

CHRISTIAN CHURCH MARKS 25TH YEAR

The First Christian Church of Torrance celebrated its 25th anniversary last Sunday, March 5, following the morning service.

A ham dinner was served by the ladies to the former members and old timers who were present to celebrate the day.

A miniature replica of the first church was on display showing the growth of the church. Mrs. Fred Cook and Mrs. W. F. Bartholomew decorated the tables.

A large collection of old pictures was on display which had been taken years ago.

The afternoon service was opened with a harp concert by Miss Marice Hosteler of Santa Ana, grand-daughter of Rev. Porter, one of the early ministers of the church. Scott Ludlow, formerly the superintendent of the church school, presided as chairman. The program consisted of old moving pictures taken by Chester Sward, Leonard Babcock, the youngest charter member of the church, read a brief history of the church.

1000 Persons Overflow Youth For Christ Rally

An estimated 1000 people gathered at the first rally of the Torrance Area Youth for Christ last Saturday night. Every available seat was taken and many were required to stand during the program. Many others were turned away because of the lack of space.

Rally goers heard Jim Vaus, one-time associate of the well known Mickey Cohen, give a startling testimony of his experiences. Vaus held the interest of all through his fifty-minute talk as he told of the tremendous change in his life since his conversion to Christianity.

A varied musical program met the approval of the audience. Art Attwell thrilled the crowd with his trumpet. Earl Anderson moved those in attendance by his singing of well known hymns, a colored choir presented a number of selections.

Pleased by the favorable response, the rally leaders are enlarging on their future plans. Clubs, social functions and prayer groups will be formed in an effort to reach the unchurched youth of the area.

Another rally is scheduled for March 18 at the same location, Carson street and Manuel avenue.
